What is Hoosier Healthwise?

Hoosier Healthwise is a health insurance program that offers free or low cost health care coverage for eligible children and pregnant women.

Who is eligible?

Children up to age 19 and pregnant women living in Indiana. Eligibility is based on family income listed on the next page. Non U.S. citizens who meet the requirements may be eligible for emergency services coverage.

What health services are covered?

Hoosier Healthwise covers children's checkups, well-child visits, vision and dental care, and much more. Pregnant women receive coverage for maternity visits, labor and delivery, and two months post-partum.
-See the back page for a more complete list.

What will it cost?

Package A and the Pregnancy Package B are provided at no cost to members. Package C is provided at a low cost. The monthly premium amounts for Package C are between \$22 and \$53 for one child, and \$33 to \$70 for two or more children, based on family income and the number of family members covered.

How do I apply?

The application process is simple. Call (812) 349-3430 or one of the enrollment centers listed on the back to make an appointment. The enrollment sites are here to help!

Eligibility Guidelines For Hoosier Kids
